VIP POKER ENTERPRISES LICENCE SUSPENDED

(MOHAWK TERRITORY OF KAHNAWAKE – March 4, 2015) – At its weekly meeting on February 25, 2015, the Commission decided to issue to VIP Poker Enterprises (“VIP”), located at Plaza 138, a *Notice of Immediate Suspension*. The suspension of the VIP Poker Room Licence was effective on February 27, 2015.

The Commission’s decision to suspend the VIP was based on a number of operational concerns, each of which have been clearly conveyed to the licensee.

As a result of this suspension, VIP is not permitted to operate unless and until its Poker Room Licence is reinstated.

The Commission has also issued to VIP a *Show Cause Notice* giving VIP thirty (30) days to show cause as to why its Poker Room Licence should not be revoked.

The Commission will post further updates as this matter develops.
