2025 Dispute Resolution Summary

(MOHAWK TERRITORY OF KAHNAWAKE – January 15, 2026) – The Commission has issued its 2025 Dispute Resolution Summary, providing detailed statistics concerning the number of complaints received and addressed by the Commission from January 1, 2025, to December 31, 2025.

Kahnawake Gaming Commission's *Regulations concerning Interactive Gaming*, Part XXIV: Complaints and Dispute Resolution (sections 267 – 281 inclusive) includes provisions to provide players with a method of submitting a complaint relating to any Authorized Client Provider (operator) licensed by the Commission.

The KGC continues its committed effort to improve the dispute resolution process for players of licensed operators. As a result of the initiative, the KGC has a Dispute Resolution Officer, a dedicated complaints email address (complaints@gamingcommission.ca), as well as a pull-down option for complaints on the "Players" section of the KGC website (<https://gamingcommission.ca/interactive-gaming/complaints/>).

All complaints must be in writing and must contain clear and unequivocal information about the complainant's identity, and provide all the relevant details regarding the complaint and the steps that were taken to address the complaint with the operator. Complaints must be submitted to the Commission not less than seven (7) days and not more than six (6) months after the date on which the subject matter of the complaint first arose.

All submitted complaints are acknowledged within twenty-four (24) hours and entered onto the master case file. As soon as practicable after a complaint is received, the Commission will review the complaint submission to establish its validity in order to commence such investigations as may be required under the circumstances.

Unless the Commission in its sole discretion directs otherwise, the details of all complaints, including the identity of the complainant, will be provided to the Authorized Client Provider against which the complaint is made for response.

The Commission will advise the complainant of the actions being taken to assist in resolving the complaint.

The Operator must provide to the Commission a full and detailed response to the complaint within seven (7) days, or such other time as the Commission may direct.

To assist in the resolution of a complaint, the Commission may request additional information from the complainant, the Operator or any third person, including an Approved Agent.

After its investigations of a complaint are complete, the Commission will:

- Dismiss the complaint as unfounded;
- Uphold the complaint in whole or in part;
- Direct the Operator to take any steps the Commission may, in its sole discretion, deem necessary to resolve the complaint;
- Direct an Operator to pay the costs incurred by the Commission in its investigation of the complaint; and/or
- Issue any other directions or take any other steps as the Commission, in its sole discretion, deem appropriate under the circumstances.

In summary, for the period covering January 1, 2025, to December 31, 2025, the Commission dealt with **1143** complaints. Included were **13** outstanding cases which were carried over from 2025. Of this total, **387** did not satisfy the Commission's criteria and were not accepted as valid complaints.
